III. General Updates
   a. The Peer leader survey
      i. Will be open until February 16th. Please make sure you keep encouraging your students to take this.
   b. Peer leader spotlight
i. These are due at the end of the month and April 21st is being held as their lunch event with President Pastides.

c. Committee Report
   i. Peer leader standards have talked about the learning outcome portion and decided that they are not going to offer learning outcomes because each group is far too diverse. To have an all-encompassing learning outcome does not seem feasible.
   ii. They have developed four categories and have broken into sub subgroups to teach take one of each one:
      1. Supervision (includes personal reflection)
      2. Selection and recruitment
      3. Evaluation
      4. Training

d. Recognition -- Resubmitting the recognition link through PLAN Newsletter please be sure to complete this.

e. Training and professional development
   i. Looking to work on a training or PD roadmap for those who are either starting a new group or taking over advising a new group. They are also looking to see how we can take what we are already submit to Kimberly and make that into a more usable system and cross reference.

IV. Data Project
   a. Continues to move forward as it specifically related to peer leaders and reports are being run and hopefully information is set to be shared sometime in February or March.
