4th Annual Hero Awards Call for Nominations
Do you know a USC student, faculty or staff member who has stood up to help a campus community member in a manner that had a significant impact on that person’s life? Nominate them for a Hero Award and recognize accountable bystanders-community members who stand up, take action and make a difference in the life of another. They gave someone a ride, called for help, intervened in an unsafe situation, or referred someone to much needed resources. Heroes pay attention to what is going on around them and the needs of others and stand up for them.

Students, faculty and staff are all invited to nominate heroes. Nominations are accepted for Hero Awards by March 1, 2013 for recognition in the Hero Awards Ceremony, which will take place March 27, 2013 at 9 a.m. in Russell House ballroom 207 B/C.

Nominate your hero here. For information about Stand Up Carolina, visit www.sa.sc.edu/shs/savip/stand-up .

USC JobMate System!

You can also view and apply for on-campus interviewing opportunities and access employer and Career Center events. All students have free access to a JobMate account that can be created here. Career Center advisors are available Monday through Friday; 1 – 4 PM for drop-in resume approval, with no appointment necessary. New internships and jobs are posted every day! To find out more, visit our JobMate Information Page, and view the Student Success Stories on the Career Center home page to see how the Career Center and JobMate have helped students decide what they want to do, and provided the resources to help them go out and experience it through internships and co-ops!
